Have I missed any pins ?

I list only Pins that I can positively identify and only real Pins, no Fantasy Stuff or Prototypes. I know that there are more Clone-Pins out there, for example Valentine's Day. They will appear in my list when I am sure about the design.

If you have seen a pin that is not in my list, please send me an e-mail with a description, the quantity made and the manufacturing company. Please attach a scan of the pin, if possible. That would help me a lot to describe the pin and minimizes the work for you. Your help is very appreciated.

Please send your e-mails to: pinlist@hrcworld.de
