## 273 Pins

---

Did I miss any pins ?

I list only pins that I can positivly identify and only real pins, no fantasy stuff or prototypes. I know that there are more clone-pins out there, for example Valentine's day. They will appear in my list when I am sure about the design.

If you have seen a pin that is not in my list, please send me an e-mail with a description, the quantity made and the manufacturing company. Please attach a scan of the pin, if possible. That would help me a lot to describe the pin and minimizes the work for you. Your help is very appretiated.

Please send your e-mails to: [pinlist@hrcworld.de](mailto:pinlist@hrcworld.de)
